

## Hallamshire Adult Club Rating System

To help adult members of the club find the right coaching groups and internal club competition, we have introduced a (Hallamshire Specific) rating system.

The system, gives each member a LETTER rating from A (Beginner) to I (Top National Standard).

The system was initially designed to give new members an idea of what group coaching or social nights they would be best suited to, but this system has proved beneficial in the success of a number of internal adult competitions also.

This system works as follows:

A – Beginner Standard

B

C – Intermediate (possible taking part in box leagues and social competition)

D

E – Club Player (possible involvement is external competition as part of a Hallamshire team and internal box leagues)

F

G – Top Club Team Player (possible county players)

H

I – National Standard (regularly competing players at national level)

Any member unsure of or wishing to get their club rating should speak to one of the Academy coaches.
