# **Hallamshire Club Championships 2010**

It is the Aim of the Club and the Academy to put the Tennis Club Championships back on the members map. We believe that a Club Championships should be the big tennis event at any club.

This year we aim to have a wider range of events and a new format to encourage all standards of player to enter, whether you are a beginner or a strong team player there will be an opportunity to compete at your level. The event will be **free to enter**.

Throughout the duration of the event the Ladies and Men's box leagues will NOT run. This is to encourage those participating in these leagues to throw their weight behind making the Club Champs a worthwhile club event.

## **The Format of the events will be as follows:**

### **Juniors.**

All junior events will take place over the weekends of the **11<sup>th</sup> & 12<sup>th</sup> and the 18<sup>th</sup> & 19<sup>th</sup> of September**. Each event will be in knockout draw format. Courts will be block booked out and players will be required to stay for the duration of the day until they are out of the event or required to come back at another time. **Finals day will be on the 7<sup>th</sup> of November.**

### **Adults**

Adult events will be subject to a **play-by-date format**. Once the draw has taken place it will be displayed at the club. Competitors will have to organise and play their own matches by a specific date. This requires all participants to be committed to playing in the event! Once the match is played the winner will add their name to the following round in which there will be a new play-by-date. **When we reach the Semi Finals of the event there will be a specific day and time that these matches will be played.** Players will be responsible for booking their own courts and supplying balls. In the event of a match not being contested by the play-by-date, a coin toss will decide the outcome of the match. **Finals day will be on the 7<sup>th</sup> of November.**

We look forward to your entry.
